

ATLANTA TECHNICAL COLLEGE

Natural Gas Technician Certificate

1 Semester

4 Classes

Careers: Pipelayers, Gas Plant Operators

Estimated Starting Salaries at \$40,570/year

Natural Gas Technician Pathways

The Natural Gas Technician certificate program will train students to assist with the installation, maintenance, and repairing of natural gas pipelines and equipment. Graduates will be qualified for entry-level positions performing a variety of tasks as a member of a crew supporting field operations in the gas utility industry.

The number of jobs in this field is expected to increase by 7.5% in the State of Georgia and by 5.8% in Fulton and Clayton Counties.
