Barbering Pathways

The Barbering Instructor Training Certificate provides a course of study for learning the skills needed to teach the theory and practice of skills in Barbering as required by the Technical College System of Georgia. Course work includes requirements for becoming an instructor, introduction to teaching theory, methods and aids, practice teaching, and development of evaluation instruments. Graduates of the program may be employed as barbering instructors in public or private education and business in Georgia and many other states.

In order to start the Barbering Instructor Training program, the applicant will need to have a current, active Georgia Master Barber License for a minimum of one year.
