

ATLANTA TECHNICAL COLLEGE

Flooring Installation Technician Certificate

1 Semester

4 Classes

Careers: Flooring Installer, Carpeting Installer, Tile Installers, Floor Sanders and Finishers

Estimated Starting Salaries at \$38,859/year

Flooring Installation Pathways

The Flooring Installation Technician Technical Certificate of Credit provides instruction in the principles and practices of installing resilient, hardwood, tile, and carpet flooring. The program gives an overview of the flooring installation industry and prepares students for employment in a variety of installation positions within the field. Learning opportunities in the program introduce, develop and reinforce the technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Modeled real world lab environments are utilized to reinforce and apply learned skills and techniques. The number of jobs in this field is expected to increase by 7.7% in the State of Georgia by 2030.
