Dental Assisting Pathways

The Dental Assisting accredited program prepares students for employment in a variety of positions in today's dental offices. The program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of dental assisting. Graduates of the program receive a Dental Assisting diploma and are eligible to sit for a national certification examination. Jobs in this field are projected to grow by 17% nationally and 26% in the State of Georgia over the next 10 years.

The Dental Assisting Program is accredited by the Commission on Dental Accreditation (CODA). CODA is located at 211 East Chicago Avenue, Chicago, Illinois 60611, (800) 621-8099 or (312) 440-4653.
