## Hotel, Restaurant, and Tourism Management Pathways

Under the umbrella of hospitality and tourism there are countless career opportunities. The Hotel/Restaurant/Tourism Management program prepares students for employment in the areas of: Food Service, Meeting and Convention Planning, Airlines, Cruise, Travel, Recreation and Theme Parks. Why not study in a city with a reputation of impeccable southern charm, fine dining and world-class sophistication? Atlanta is home to the world's busiest airport and provides a rich and eclectic blend of hospitality business in which to pursue a vibrant career. Gain hands on experience while studying in Atlanta, a city that has hosted over 45 million tourists annually, has been named by the New York Times as one of "52 Places to Go in 2014," and is one of only nine U.S. cities that USA Today readers voted Atlanta as a top five convention destination. Atlanta Technical College also offers opportunities to train or upgrade present knowledge or skills. By the year 2030, the number of jobs in this field is projected to grow by 7% nationally and 5% in Fulton and Clayton counties in Georgia.
